# CLEAN-IT Hygiene Services

## Why to choose CLEAN-IT Hygiene Services?

- Experienced, dedicated & trained professional
- Latest, modern and effective cleaning equipment
- All cleaning chemicals included in the price; optional all consumables included
- Documented service – work orders and reports are delivered after executed services
- Insured service – Atrium Consulting holds professional indemnity insurance
- Optimized services – additional discounts for FIX-IT services combined

CLEAN-IT Hygiene Services are available as package or tailor-made solutions in order to match perfectly your cleaning requirements. Our scope of services includes regular and special cleaning of offices, retail premises, warehouses and manufacturing sites.

CLEAN-IT personnel is trained to perform its tasks professional and without disturbances. All CLEAN-IT Hygiene Services are based on latest cleaning methods and only eco-friendly and certified chemicals are used.

**Atrium Consulting** is a leading facility management company operating in Serbia since 2004. Our key service is real estate management including all infrastructural services like cleaning, gardening, snow removal, conference room booking and security services. All our services are covered by professional indemnity insurance.
