

# FIX-IT Caretaking Service

# FIX- IT Caretaking Service

**Atrium Consulting** employs a professional and interdisciplinary team of Caretakers which is maintaining your office and can execute smaller or larger repairs. Our attractive packages allow to pick the right service level for your company and to benefit from our well trained staff. It's just one call and our Caretakers are at your service!

From simple mechanical or gypsum wall repairs to electrical and plumbing installation relocation, our handyman service will get the job done – securely, on time and within the predefined budget. All FIX-IT packages enable you to request additional projects to be executed by our Caretakers at favorable conditions.

**Atrium Consulting** is a leading facility management company operating in Serbia since 2004. Our key service is real estate management including all infrastructural services like cleaning, gardening, snow removal, conference room booking and security services. All our services are covered by professional indemnity insurance.

## Why to choose FIX-IT Caretaking Service?

- Experienced team – Caretaker familiar with installed equipment and systems
- Improved business productivity – one call, one bill: small consumables material included in service – no additional invoices
- Predictable service costs – FIX-IT Caretaking Packages
- Guaranteed service – our work is typically guaranteed for a period of one year
- Insured service – Atrium Consulting holds a professional indemnity insurance
- Added value service – regular checks reduce energy bills and prevents additional maintenance costs
- Optimized services – additional discounts for CLEAN-IT services
